A Sample of Many Thank You Letters and E-mails.

I just wanted to send you a quick thank you. We feel so blessed that you did our wedding. We thought you did an amazing job with everything. Your professionalism was amazing! We loved that we were able to customize our wedding ceremony just the way we wanted it and to match our personalities. You did a great job reading and it sounded great! Looking back at videos of our wedding, I just feel so happy we chose you. Honestly, when I found you online and looked over your website I felt good things in my gut and decided to go with you and not even look for another officiant! We could truly see in you how much you enjoy what you do and we thank you for showing that to our guests as well. We had so many compliments and we owe a big thanks to you for helping make our day more perfect than we could have ever hoped for.

Thank you and God Bless you and your family! Keep up the amazing work! :)

Hello Tom!

Paul and I want to thank you so much for your beautiful delivery of our wedding ceremony and vows. Even though we had just met that day, your smile made it seem like we've known you much longer. In fact, that is how you were at our wedding - like you really knew us for years. We could not have asked for a better ceremony - you made it exceptional! Thank you! Thank you! We are grateful beyond words. We will highly recommend you! Hopefully, when we renew our vows in years to come, you are still available!

Judge Armstrong was ridiculously easy to work with and helped us write the perfect service! From his extensive collection of service templates on his website to his insight and advice on our rough drafts of our service -- his support was great!

He delivered a great service the day of and was very helpful with figuring out our wedding license and name changes. Tom would be a great officiant for anyone's wedding!

Thank you for proceeding over our wedding in August! We appreciated how flexible and helpful you were throughout the process. You were extremely professional, but kept a great sense of humor as well (which helped put us at ease.)

I have recently been accepted as a Marriage Celebrant here in Aotearoa, New Zealand. I would like you to know how much I appreciate all of the resources you share on your website. You are very generous and I thank you.

Thank you for officiating our wedding ceremony. You did a wonderful job in conducting the ceremony, but you also made us feel comfortable. We're very pleased that we chose you for our special day. Your website made it easy for us to construct a ceremony that we liked. Without all the helpful references and examples, I think it would have been much more difficult to translate out feelings into a logical ceremony. I'm sure you don't need it, but if there is ever a need for another positive

reference just let us know. Your experience in doing this was quite evident. Thanks again for a job more than well done.

Eric & Jennifer

You did such a wonderful job with our ceremony. I would tell anyone about you. You're a kind man.

Monica & Jeremy

We just wanted to say "thank you" for the beautiful ceremony on Friday. Our family all commented on how nice it was. I even showed my parents that we could have a nice wedding ... outside of church! Now that says it all :) Everything was perfect and we decided it was the best ceremony we have heard - funny that it just happened to be at our wedding! It was a pleasure meeting you and many thanks!
